

LOS ANGELES COUNTY WIA YOUTH PROGRAMS INFORMATIONAL BULLETIN

NUMBER: YTH-03-19

SUBJECT: WORKPLACE HOLLYWOOD

DATE: 09-29-03

EFFECTIVE DATE: IMMEDIATELY

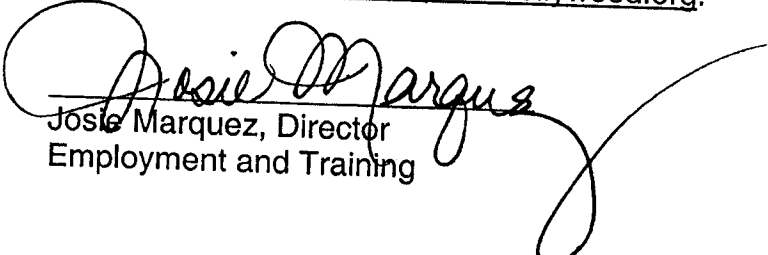

TO: All Youth Service Providers

The purpose of this bulletin is to inform all service providers of various educational and employment opportunities through an organization called Workplace Hollywood, a collaboration of local government, education, labor, and entertainment industry leaders committed to serving the historically underrepresented and economically disadvantaged. Their mission is to enroll at-risk participants in entertainment-related training programs, and to place them in gainful employment.

Workplace Hollywood is designed to give participants the experience needed to prepare them for full-time work as performers, producers, technicians, animators, stage managers, and a variety of other skilled occupations. Candidates must demonstrate passion for the entertainment industry and the motivation necessary to succeed.

Workplace Hollywood is also interested in supporting any organization committed to Community and Education Outreach, Workforce Development, and Staffing/Management Recruitment. If you are interested in applying for their Grant Program, you must submit a letter of intent and an application according to the instructions listed on their website, www.workplacehollywood.org.

If you have any questions or would like additional information, please contact William Broomfield, Director of Community and Education Outreach, at (323) 467-2525, or email, wbroomfield@workplacehollywood.org.
